August, 2011

To FCCLA Advisor Addressed:

Welcome back to school. We hope that you all had a restful summer full of special memories and are ready to have another great year with your students.

Getting ready for a successful FCCLA year takes student involvement, planning and fund raising. Because of all the educational budget cuts, the organization is working to provide you with opportunities that will help you raise money to keep your chapter active in the programs the association offers.

We have endorsed Successful Promotions as an approved vendor for Texas FCCLA chapters this year. Please consider their products as possible items to sell for your chapter fund raising efforts. Successful Promotions will donate a portion of the sales to a special scholarship fund which will be available to your students this school year.

We think you will find the Successful Promotions staff to be very capable of serving you and concerned about your chapters' needs. Best wishes for a successful year. Please contact us if you have any questions.

Sincerely,

Sharon Reddell Pierce
